Charter School of Fort Pierce

Sponsorship Information

The Charter School of Fort Pierce (CSFP) needs your support! We hope that you will agree that sponsoring a project, or contributing a simple donation is worth your consideration for our much deserving students.

When CSFP opened its doors to Saint Lucie County students in 2008, it was the District's first Public Charter School of *Choice* in ten years. Though the school has incurred many challenges from its conception in 2006 to its birth in its first year of operation (including the wrath of Tropical Storm Faye in 2008 which forced the school to relocate for two months), CSFP is now in its second year of operation and is beginning to thrive. We have overcome many challenges but are still in need of sponsors to support us in our educational endeavors.

We understand that in these economic times you might not be able to sponsor us as a whole. However, we would like you to know that any donation, no matter how large or small, is appreciated in the same way. We are currently in need of sponsors for classroom build-outs, book shelves, copy machine lease and other expenses that State funding does not cover.

We are happy to provide any additional information you might need. In addition, please consider visiting our facility located at the Old Orange Blossom Mall at 4300 Okeechobee Rd., Fort Pierce, FL 34947. We are a non-profit 501(c)3 organization, and all donations are tax deductible.

If you have any questions, or require any additional information, please contact my assistant by phone at (561) 667-9479, or via e-mail at admin@charterschooloffortpierce.org. We thank you in advance for your sponsorship and/or support and look forward to speaking with you.

It is people like you who help us become who we are today and who we will be in the future.
